SDCAA Installs 2011 Leadership

SAN DIEGO, CA (Jan. 27, 2011) – The San Diego County Apartment Association (SDCAA) today installed its 2011 Board of Directors during the organization’s first membership luncheon of the year.

SDCAA member Rick Snyder of R.A. Snyder Properties, Inc. served as the installing officer, and formally introduced 2011 SDCAA Board President Karen Murphy Gross of R. A. Snyder Properties, Inc.

Karen has been a Property Management Professional for over 23 years starting her property management career in 1987 with Historic Landmarks for Living, a company dedicated to the preservation and restoration of historically certified buildings in Philadelphia. During her tenure with Historic Landmarks, Karen oversaw the operations of a portfolio of properties consisting of multi-family apartments and commercial space within the Olde City Area of Philadelphia. In 1993, Karen relocated to San Diego and took on a management position with R.A. Snyder Properties. During her tenure, she has served as a property manager on various sites, a Regional Manager over many portfolios and as of 2004, has overseen the operation of the company as the Sr. Vice President.

Karen believes in staying involved in, and contributing to, the Real Estate Management Industry and has served as the chair for many committees for both IREM and SDCAA for over a decade and was the 2010 President Elect for SDCAA. She earned her ARM designation in 1998, CPM designation in 2003, and was actively involved in obtaining the AMO designation awarded to the company in 2005.

For more than 90 years, the SDCAA, a not-for-profit trade association, has been serving the needs of rental housing operators and industry suppliers. SDCAA members provide valuable housing opportunities for many San Diego County renters, and it is the volunteer leaders in particular who strive to ensure the adequacy and continued local supply of rental housing.
